

DEERCREEK FLAG PROJECT

Show Your Patriotism and Support Child Abuse Prevention!

NOW ADDING LABOR DAY HOLIDAY FOR 2024! FOUR FLAGS IN ALL!

The Jacksonville Exchange Club will once again offer Deercreek residents the opportunity to participate in our 2024 Flag Project. Participating residents can choose to have the Exchange Club place a US Flag in their yards on the Memorial Day, Independence Day, Labor Day, and Veterans Day holidays. These flags are 3 foot x 4 foot in size, and are mounted on 5 foot poles. Exchange Club members will place the flag in your yard a day or two before each holiday, and will remove the flag a day or two following each holiday.

The National Exchange Club is one of America's oldest service organizations. The local Jacksonville Exchange Club was founded in 1923, and engages in community service projects that foster Americanism and serve the youth of our community. All monies raised by our Flag Project are used to support the Jacksonville Exchange Club, a local Exchange Club chapter that is working to prevent child abuse. For more info, visit www.nationalexchangeclub.org.

To participate in the Flag Project, simply complete and return the order form below. **Direct any questions about the Flag Project to Doug Klippel at 904-502-5322.**
